

Kristine Bailey – Choir Administration Manager

In 2008, in response to the increasing demand for administrative support for the OCS Board, artistic staff and its vast number of volunteers, the OCS created the position of Choir Administration Manager. Kristine Shannon Bailey has held this part-time position since January 2009. Kristine works closely with the OCS Treasurer, and she provides administrative and logistical support to the ticket and subscription managers, the production and marketing teams, the Choir Manager and numerous volunteers. Kristine is also responsible for implementing and maintaining a comprehensive database system to support the choir's marketing and communications.

Kristine brings 15 years of administrative management, marketing and customer relations experience to the position. In addition to her work with the OCS, Kristine is a recording artist and performer and is presently the Vocal Coach and Vocal Producer for Sound of the Muse Records, Artist Development.
